Graduates are well-rounded individuals who have learned the core values of discipline, diligence and integrity and excelled in the academic, co-curricular and character realms.

### Chaplain

Working alongside the Head Chaplain, the Chaplain helps to serve the spiritual needs of Berkeley Preparatory School students and faculty. While the position has a primary focus on the Lower and Middle Divisions, at times the Chaplain will work with constituents school-wide. The Chaplain will guide us in prayer, offer weekly homilies, teach, lead small-group Bible study discussions, sponsor spiritual life clubs, officiate a variety of liturgical services, and offer age-appropriate pastoral care.

This unique opportunity is enhanced by the much-anticipated opening and consecration of the [Berkeley Chapel](#) in the heart of campus in the fall of 2022. While some spiritual life offerings are well underway, the addition of this inspiring sacred space will invite new possibilities of prayer and programs. With that in mind, an entrepreneurial spirit is desired for this new role on campus.

The Chaplain will report directly to the Head Chaplain, and will also work closely with Lower and Middle Division administration.

*Note: conversations will be had with qualified candidates to round out job responsibilities based on the candidate's strengths and interests, and the needs of the school.*
