MISSION STATEMENT

Rooted in the reconciling ministry of Christ, the mission of Seminary of the Southwest is to form people for vocations of ministry, service, and healing.

CONVERSATION COVENANT

A seminary community is a school of inquiry and interpretation: inquiry into the mystery of God in Jesus Christ and interpretation, in both action and reflection, of God's creative and redemptive love. Frank, confident, and trustful conversation is an essential part of our common learning. Often, though, we are led into difficult, even disturbing, conversations as we bring the length and breadth of our assumptions, hopes, opinions, and certainties, into the formative power of Christian faith. Avoiding the issues around which passion and disagreement reside might well be an easier path, but commitment to remaining in conversation with one another despite our differences is part of our calling as disciples of Jesus Christ.

In order to mark both our commitment to conversation and our recognition of the challenges, we affirm...

that we are all made in the image of God and must, therefore, treat one another with respect and dignity;

that we are free to explore different ideas and beliefs as well as to grow and change theologically;

that we share a common sinfulness and, therefore, will understand only partially and be mistaken frequently; that we do not have to agree in order to love one another;

that our conversations, even our most passionate disagreements, take place in the Spirit whom we seek not to grieve.

and we strive...

to approach conversation with a willingness to listen and learn, acknowledging the value of opposing

views; to treat one another as honest inquirers, attempting to discern God's truth in a complex world;

to engage ideas without attacking or dismissing those that hold them;

to acknowledge the limited perspective of our own experience and opinions, and be open to the possibility of our views changing;

to consider the possibility that we might be mistaken, secure in the knowledge of the love and forgiveness we have all received in Christ;

to challenge one another while seeking not to give offense;

to consider challenges from others while striving not to take offense too

readily; to serve reconciliation by sharing when we have been offended;

to acknowledge stereotypes, ask for clarification in order to avoid misunderstandings, and make room for complexity.

CHAPEL SCHEDULE

The 2021-2022 Chapel Schedule will be communicated by email as the academic year begins and periodically as changes occur in relation to an improved ability to gather in a shared physical space, Christ Chapel.

The basic structure of chapel worship is that of three services a day, one between the first two morning classes at 9:30am. The next right before lunch at 11:45am. And the final service, in general at 5pm, but at 5:30 on Thursdays.

The morning services are all Morning Prayer. On Wednesday mornings we observe Choral Morning Prayer, and on Thursday mornings the office is said in Spanish. Eucharist is observed at the midday service Monday-Wednesday and Friday. The midday Eucharist on Mondays concludes with our weekly assembly. The midday Eucharist on Tuesdays emphasizes Latinx and Hispanic culture, including the use of Spanish. On Thursdays the midday service is Noonday Prayer. We observe Evening Prayer at the final service of the day Monday-Wednesday and Friday. On Tuesday we observe Evensong and on Wednesday we say Evening Prayer in Spanish. On Thursday evening at 5:30 we observe a community service of Holy Eucharist.

As an Episcopal community of formation, we gather regularly to share our life of prayer. Though corporate prayer occurs several times a day, we do not intend that everyone will be present for each service. However, all students are expected to develop a personal pattern of attendance at Chapel, keep that pattern faithfully, and adjust it when necessary. We have found that the most successful patterns include attending at least one worship service each day that one is provided including the Monday service with assembly. Students preparing for or intending to return to ordained service in the Church should expect that their pattern of worship and its role in their formation will be a topic of conversation with their advisers and be a significant source of material for annual reviews.

See the Chapel page on the SSW Intranet for details about worship.

PRAYER REQUESTS

You may email prayer requests to the chapel sacristans at sacristans@ssw.edu

EVENTS

September 15 - October 15

HISPANIC HERITAGE MONTH

Each year the seminary highlights some aspect of the history, national backgrounds and cultures of U.S. Latinos, some of whom represent family generations going back to Spanish colonization of the Southwest. Given that Latinos represent twenty-one countries of Latin America and reflect a varied racial and ethnic background composed of European, indigenous people and African roots, the Latino heritage celebrations at SSW are always lively, colorful and informative. Hispanic Heritage Month is observed by SSW during the month of October, culminating with All Saints Day and All Souls Day on November 1st and 2nd, including a community celebration of Dia de los Muertos.

November

BLANDY LECTURES AND ALUMNI CONVOCATION

The Alumni Association established the Gray M. Blandy Lectures in 1967 in appreciation and honor of the Very Reverend Gray M. Blandy for his 15 years of ministry and work as the first dean of Seminary of the Southwest. These lectures are scheduled annually in the fall and are coordinated by the Alumni Association and Steering Committee with assistance from the Seminary's Institutional Advancement Office.

As the first dean of the Seminary of the Southwest, from 1951 to 1967, Gray Blandy was a visionary, builder, and innovator. The Blandy Lectures have featured scholars, theologians, and pastors from throughout the Church.

COMMUNITY THANKSGIVING

There's a community Thanksgiving dinner for those staying in Austin who wish to participate. The seminary provides the turkey. Participants provide the sides and desserts.

DÍA DE LOS MUERTOS

The liturgical observance of Los Dias de Los Muertos takes place annually in Christ Chapel and provides a conclusion for Hispanic Heritage month. There is an *Ofrenda*, an altar dedicated to the memory of the dead in the Weeks Center where all members of the community are invited to add photos or mementos of loved ones.

POLITY BOWL

The Polity Bowl is an annual flag-football game between Southwest and Austin Presbyterian Theological Seminary. The game is followed by a social gathering with both teams and their supporters.

February

BLACK HISTORY MONTH

Black History Month is a time for the seminary and surrounding Austin community to celebrate and honor the successes of the African American culture, as well as engage in educational and life-giving conversations around diversity. The Black History Month Planning Committee is made up of seminarians, faculty, staff, alumni, trustees and local Union of Black Episcopalian representatives. The committee sets goals and objectives for Black History Month events every year.

CLAUDE PAYNE LECTURESHIP IN MISSION AND LEADERSHIP

This lectureship was established in 2003 in honor of the Rt. Rev. Claude Payne, past President of the Board of Trustees and past Bishop of the Diocese of Texas. The annual event will bring to campus a distinguished speaker to address the mission of God in the world, whether in the United States or globally, and the opportunities and challenges of church leadership in our time.

March

HARVEY LECTURES

The Harvey Lecture Series began in 1974 as a living memorial to the Very Rev. Thomas Hudnall Harvey, who served as dean of Seminary of the Southwest from 1968 until his death in 1972. Southwest students plan and implement the annual Harvey Lectures.

April

PROM

Southwest's annual "prom" is our community's end-of-the-year celebration, sometimes with a theme, always with a lot of fun.

May

LAST GATHERING

Held on the Friday night in May before Commencement, Last Gathering includes a community Eucharist, dinner and entertainment, including comedy skits to roast the graduating seniors, faculty, and staff. Spouses or partners are presented with honorary degrees in appreciation of their support.

COMMENCEMENT

Commencement activities take place over two days in May and include a graduate rehearsal, Evensong at Christ Chapel followed by a reception honoring the graduates, and on Commencement day photographs, breakfast, commencement, and a reception.

On-Going COMMUNITY HOURS

Community Hour is scheduled on Monday afternoons from 4:00 pm to 4:45 pm. There are a variety of forms that this takes, from socializing, to formal presentations, to times to visit with guests on the campus. It is an opportunity for faculty, staff, and students to share time together. Light refreshments are served.

CENTER FOR WRITING AND CREATIVE EXPRESSION

Southwest's Center for Writing and Creative Expression (CWCE) offers writing support in the form of one-on-one consultations, long-term writing partnerships, writing workshops, and print and digital resources. The writing center also encourages creative expression and conversation around religion and the arts through special programs and publications. It is staffed by student work-study consultants under the supervision of Dr. Claire Colombo, director of the CWCE. Consultants are chosen based on previous teaching or writing experience and upon recommendation by the faculty. Writing center staff members support student writers by helping them understand assignments, conduct research, develop a thesis, and identify needed improvements in their works-in-progress. They also offer long-term support in progress toward academic, personal, or creative writing goals. CWCE staff can be reached at writing.center@ssw.edu.

COMMUNICATIONS AND MARKETING

The Office of Communications and Marketing, led by the Vice President of Communications and Marketing, Eric Scott, is responsible for oversight of all internal and external communications for Seminary of the Southwest. Specific responsibilities include: marketing the seminary's degrees and programs, protecting and managing the seminary's brand and identity, oversight and implementation of the seminary's marketing efforts for recruiting and fundraising, and managing the seminary's website, social media and email campaigns.

The communications office also has oversight of all formally printed seminary materials, including bi-annual issues of the seminary's magazine, Ratherview, the advent meditations booklet, promotional event materials and orders of service for the seminary's elevated chapel services. FACULTY ADVISORS

Faculty advisors provide academic and pastoral oversight to their advisees and play an important part in the formation of individual students for the ministry of the church. The advising role encompasses academic, personal, spiritual, vocational and community life. Advisors are responsible for assisting with academic choices and guiding students' spiritual formation, particularly in the area of family adjustment, participation in the community, and personal and corporate prayer. Senior Evaluations in consultation with faculty and the student. Advisors do not serve as spiritual directors, therapists or confessors, but will assist students with referrals.

Financial aid requests are processed by the office of Enrollment Management and Student Services. This office assists students with all financial questions. Financial aid forms are distributed in the spring of each academic year and are due by May 1st. Every student who wishes to receive financial aid must complete a financial aid application each year of seminary attendance. Students who do not want or expect to receive financial aid need only to advise Hope Benko by email prior to the May 1st deadline.

Participation in the work-study program is required of all students receiving 100% institutional financial aid and may be required of other daytime students as part of their tuition grant. Work-study is not usually available for Center students.

FINANCIAL TRANSACTIONS

The Accounting Department, located on the 3rd floor of Rather House, handles nearly all of the financial transactions, such as student billing, the disbursement of scholarship and work-study funds, student health insurance and promissory notes. Payments for Bookstore accounts are generally made at the Bookstore. The Accounting team consists of Susan Versluys, Controller; Deirdre Nelson, Senior Accountant, Manager of Student Accounts; and Deborah Tobin, Accounting Clerk.

GENERAL ORDINATION EXAMINATIONS AND CANONICAL EXAMS

INSTITUTIONAL ADVANCEMENT

The Office of Institutional Advancement builds community and supports our seminarians by raising the funds necessary to help ensure the success of the Seminary. We work closely with our alumni, board, volunteers, and friends to share Southwest's compelling mission and vision with friends of Southwest who have the means to support it. For most Southwest students, fundraising and philanthropy will play a big role in their future vocations. We look forward to working with our students, sharing knowledge about the practice of fundraising and the opportunities it holds for creating stronger communities.

AROUND CAMPUS

BOOKSTORE

The Bookstore is a student-operated business. Hours of operation are posted at the bookstore. For more information about the Bookstore please see the “Bookstore” section in this handbook.

CHRIST CHAPEL

The chapel was designed by award-winning Austin architect Arthur Fehr. With its glass walls and the cross located outside the chapel itself, the building serves as a reminder that Christ died outside the city and that worship is never a retreat from the world.

COLLEGE COURT APARTMENTS

College Court efficiency apartments are available across from the seminary on Duval Street. The pool between the north and south buildings at College Court is for the use of all seminary students and families. Children under the age of 16 must be accompanied by a parent. There are student managers for each building to answer questions and assist with minor problems. Maintenance is also housed at College Court in Apartment 103 South. Only College Court residents may park at College Court, and residents are limited to one car per unit. All other cars must be on the street or in the parking lot in front of Rather House.

DIOCESE OF TEXAS

The Diocese of Texas, headquartered in Houston, maintains the Austin Diocesan Center (ADC) on campus for the administration of the West Region of the diocese. The building is located between Christ Chapel and the McDonald building. The Rt. Rev. Kathryn “Kai” M. Ryan, Bishop Suffragan of Texas, serves as the Regional Executive for the West region. In addition to Bishop Ryan, the office houses Haley Townsend, Executive Assistant to Bp. Ryan and Ana Gonzales, assistant to the Commission on Ministry. Also operating out of the ADC is the diocesan Wellness and Care Ministries/Safeguarding. Their staff lead by The Rev. Lisa Burns, Canon for Wellness & Pastoral Care/Safeguarding Minister, includes Marty Brickley, Manager of Safeguarding Certification, Danielle Tatro, Assistant to Wellness and Care & Safeguarding, and Assistants Katherine Muhlenbruch and Tracy Cramer. The ADC also provides hospitality space for various visitors to the campus as well as conference room space for area congregation evening meetings and weekend Vestry Retreats.

GROUNDS & GARDENS

On the Seminary grounds and in the gardens you will encounter Texas native and adapted perennials, trees, and ornamental grasses. The Cutty Charlton Garden is located outside the south chapel windows and was dedicated in memory of the wife of Bp. Gordon Charlton, Seminary of the Southwest Dean from 1973-1982.

THE SCOTT FIELD BAILEY CENTER AT RATHER HOUSE

The family of Charles and Ella Rather gave their 1910-era home and its five acres to establish the seminary campus in 1952. Both Rather daughters, Ethel and Alma, attended the University of Texas and eventually married professors. Alma and Frederic Duncalf and Ethel and Ernest Villavaso and son Ernest “Bebe” Villavaso, Jr., lived in the family house. Bebe died in 1947 after a tragic accident. The property was given in his memory. A Wayman Adams portrait of Bebe Villavaso hangs over the mantel in the All Saints Room on the first floor. Nicholas R. Brewer portraits of Charles and Ella Rather hang in the Georgia Lucas Room, also on the first floor. Upon completion of renovations to convert Rather House into the administrative center, the refreshed structure bears Bishop Scott Field Bailey’s name.

THE MARTA WEEKS CAMPUS CENTER

The Weeks Center, which houses the Knapp Auditorium, Howell Dining Hall, and the Maddux Lounge, was made possible by a gift from Marta S. Weeks, MDiv, 1991. Many other persons and congregations also contributed to the building of the center.

Howell Dining Hall is named in honor of Paul W. Howell. Paul was a life-long member of the Church of St. John the Divine in Houston and a leader in Diocese of Texas affairs. He also served on the Development Board of Seminary of the Southwest. The gift for the dining hall was given by John and Dela White of San Antonio, family friends of the Howells. The Dining Hall is available for social functions and can be scheduled through the Associate Director of Operations .

Knapp Auditorium is named in honor of Alfred Knapp and Doris Hebard Knapp and was the gift of David and Lynda Knapp Underwood of Houston. The auditorium is used as a classroom and as a venue for campus events such as the Blandy, the Payne, and the Harvey Lectures.

Maddux Lounge bears the name of Elizabeth H. Maddux of San Antonio, who provided the gift for the lounge. The lounge is an informal gathering place for students. It serves as the student lounge and is also the venue for the weekly Community Hour.

LIBRARY STATEMENT OF PURPOSE

The Library is a study and meeting space, a collection of information resources, and a central point of library instructional services for the people being formed through Southwest for vocations of ministry, service, and healing.

SPACE

The Booher Library is under renovation. The library is temporarily operating across the street from Booher Library at the Deanery at 509 Rathervue Place. Please refer to the [Booher Library Operations libguide](#) for updated information about the library's space and meeting rooms.

Library Hours

Hours of operation are posted on the [library's webpage on a Google calendar](#). Hours vary when class is not in session.

RESOURCES

Books and Journal Articles

The Booher Library collects material supporting the study of the six canonical areas, the social sciences, the humanities, and other special areas of interest to the seminary community.

The library offers a growing number of electronic resources, including *The New York Times*, *ATLASerials*, *Mango Languages*, and *PsycArticles*. For a full list, visit the library's [Electronic Resources page](#).

The full breadth of the library's resources can be searched and accessed through *Seeker*, the library's search engine. You will find *Seeker* at www.ssw.edu/library. Please refer to the Accessing e-Resources Libguide for instructions on accessing e-resources with your Seminary of the Southwest Google Account.

The Booher Library has created many [libguides](#) to help students discover our resources. Several pre-recorded tutorials are available on the library's webpage.

The Course Reserves Collection

The [course reserves collection](#) includes the current semester's items assigned for reading or viewing. Physical items are shelved in the library and ebooks are linked from the [course reserves libguide](#).

Computers and Printing

The library has PCs available for student use. They are each connected to the library's printers. Wireless internet and [printing from mobile devices](#) is also available. The wireless password is posted on the library's bulletin boards. Read more about the library's printers [here](#).

Library Cards

Your Seminary of the Southwest ID card serves as your library card. Your library account barcode is on the front of your ID. Use this barcode to log into the [My Account function](#) on the library's website to see what items you have checked out and when they are due, and to

request renewals.

Circulation Rules

Most books and media circulate for 30 days. Course reserve items and ebooks circulate for shorter periods depending on a variety of variables. Most items can be renewed up to 3 times as long as no one else has the item(s) on hold and as long as the patron renewing the item is in good status. The library staff can issue a recall on any item at any time. Usually the reason is that the item is needed for the course reserve list. Upon receiving a recall notice (either by email or phone), please return the item(s) or contact the library to make arrangements to return the item(s) as soon as possible. A replacement fee for the item will be applied 10 library business days after the recall notice is sent.

Some materials, such as reference books and periodicals, do not circulate.

Lost Library Items

If a borrower loses a library item, the borrower will owe a replacement fee and a processing fee. If the item is available for purchase, the replacement fee will be the cost of the item at its currently available price plus a \$5.00 processing fee. If the item is no longer available, the replacement cost will be determined by the Library Director but shall not be less than \$25.00.

SERVICES

The Library Staff

The library is staffed by student workers who are trained on the use of library resources. The professional library staff is available to assist with in-depth reference inquiries. The librarians are devoted to connecting our primary users with the resources they need. For one-on-one help with research, we recommend that students and faculty contact the librarians by email at library@ssw.edu and provide:

- Details about the research topic, including correct spelling of any names or keywords
- Course number, assignment requirements, and due dates, if applicable
- A summary of research conducted thus far, including any obstacles or dead ends
- Availability for a session with a librarian

Library Instruction

Workshops designed to help students use resources efficiently and effectively are offered by library staff throughout the academic year. Watch your email for announcements or follow the library on twitter [@boohier_library](https://twitter.com/boohier_library).

Library Cooperative

Booher Library collaborates closely with the Wright Learning and Information Center at Austin Presbyterian Theological Seminary (APTS), just a few blocks away. A slightly longer walk takes seminarians to the fifth largest library in the United States, the General Libraries of The University of Texas at Austin, including the Harry Ransom Center for rare books and cultural materials and the Benson Latin American Collection.

All these libraries extend borrowing privileges to Southwest students (and we extend such privileges to their students) free of charge. In addition, the library participates in the *TexShare* program and Southwest Area Theological Library Association program, which provide access to hundreds of libraries across the state of Texas and the Southwest. Read more about these services on the [Guide to Austin Libraries Libguide](#).

Interlibrary Loans

If an item needed for research is not available locally (in the collections of the Booher, APTS, and UT Libraries), the staff – upon request – will borrow it from another library through a process called Interlibrary Loan (ILL). Please note that ILL can take several days or sometimes weeks, so it is best to seek out resources well in advance of assignment due dates. You may place ILL requests directly through *Seeker*, the library's discovery tool, or you may email the request to library@ssw.edu. For more information about this service, please visit the Interlibrary Loan (ILL) LibGuide.

Suggestions

The library staff wishes to hear from our students! If you have a suggestion to make about any aspect of the library's space, resources, or services, including suggestions for book purchases, you may email the library at library@ssw.edu, or make an anonymous suggestion in the fall student survey which is emailed to all students every November. We look forward to hearing from you!

EMERGENCY MANAGEMENT PLAN

Family Education Rights and Privacy Act

The Family Educational Rights and Privacy Act (FERPA) afford eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. The right to inspect and review the student's education records within 45 days after the day the Seminary of the Southwest (SSW) receives a request for access. A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

A student who wishes to ask the school to amend a record should write the school official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the university discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The school discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by SSW in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of SSW who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for SSW.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by SSW to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

Memorandum Regarding Directory Information

To: All Students

Academic Year 2022-2023

Release of student record information is generally not done at Seminary of the Southwest without the expressed, written consent of the student. There are, however, some exceptions.

For example, directory information includes the following, and may be released without the student's consent: name, address, telephone number, email address, dates of attendance, class and degree, photograph. Please note that you have the right to withhold the release of directory information. To do so, you must complete a "Request for Non-Disclosure of Directory Information" form, which is available from the Registrar's office. Please note two important details regarding placing a "No Release" on your record:

1. SSW receives many inquiries for directory information from a variety of sources outside the institution, including friends, relatives, prospective employers, and degree verification. Having a "No Release" on your record will preclude release of such information, even to those people.

2. A "No Release" applies to all elements of directory information on your record. SSW does not apply a "No Release" differentially to the various directory information data elements. The institution will honor your request to withhold any of the categories listed above but cannot assume responsibility to contact you for subsequent permission to release them. Regardless of the effect upon you, SSW assumes no liability for honoring your instructions that such information be withheld.

Please contact the Registrar's office for the "Request for Non-Disclosure of Directory Information form."

GRADUATION DECLARATION PROCEDURE

Students intending to graduate must declare their intent to graduate by completing and submitting the Graduation Declaration Form to the Registrar's office by the beginning of the academic year in which they intend to graduate. The Graduation Declaration Form can be found in Populi: Files > Academic Resource > Forms

INCLEMENT WEATHER PROCEDURES

In the event of severe inclement weather, the executive vice president of the seminary will issue notification to all students, faculty, and staff about any change in campus operations, including late opening, early closing, or other impacts to the campus community. The executive vice president's notification is issued via email to all registered users @ssw.edu and also via text message.

SENIOR CLASS GIFT PROCEDURE

Often in the spring the Senior Class decides to give the Seminary a gift in thanksgiving for their education and formation. After the class agrees on a particular gift, the class representatives should consult with the Dean and President before making final plans to purchase and to present the gift.

Seminary of the Southwest's Master of Arts in Clinical Mental Health Counseling program is fully accredited by the Council for Accreditation of Counseling & Related Educational Programs (CACREP) accreditation. CACREP is a national accrediting body that sets educational standards with the purpose of creating uniformity between counseling graduate-level programs across the nation. Since 1987, CACREP has been a nationally recognized accrediting agency in the U.S. with the purpose of developing, implementing, and assisting in maintaining standards "for preparation for the counseling profession's graduate-level degree programs".

CACREP accreditation ensures that students are receiving the requisite curriculum necessary in order to apply for licensure for the state of Texas and beyond, as well as enhancing the program's professional identity and collegial connections with the larger counseling field. CACREP accreditation benefits the students graduating from our program in significant ways.

CACREP graduates may sit for the National Counselor Examination earlier than otherwise permitted, apply for federal loan forgiveness if working in qualified underserved areas, apply for Veterans Administration employment post-graduation, and more easily transfer licenses between states.
