Data regarding Stakeholder/Constituent Feedback will include aggregate ratings on Stakeholder/Constituent Surveys inquiring how well stakeholders and constituents who have knowledge of students and graduates of the Seminary of the Southwest’s counseling program believe the program prepared those students and graduates to fulfill the following:

1. Mission of the MHC Program
2. Goals & Objectives of the MHC Program - Being

This data are generated by stakeholders and constituents with knowledge of our students/graduates surveyed once annually. This information is used at the program level to determine if the program is meeting its mission, goals, and objectives. Survey ratings are collected by the Academic Unit Leader once a year. Stakeholder/Constituent feedback data will be reviewed annually by counseling program faculty and staff, and every three years by the interdisciplinary Counselor Education Program Assessment Committee, and recommendations are then forwarded to counseling program faculty, advisors, and administrators.
