### **Questions for Reflection and Discussion:**

- What are your own assumptions about obedience? What shaped and formed those ideas, and what challenges those assumptions?
- Our freedom to choose to follow the ways of God's love is intimately linked to our obedience and conscience. Where has it been easy to follow God's way of love? When has it been costly?
- What sustains (individually or as a faith community) your obedience to the way of the cross?
- Tell a story about a time when you felt the Spirit inviting you to see obedience as freedom.
