### **Questions for Reflection and Discussion:**

- Where do you see yourself in Nicodemus's story? And what might a "pivot" look like in your own faith journey right now?
- Why do you think small, quiet changes are often harder to value than big, visible ones? And how does that shape the way we think about faith and spiritual growth?
- How do actions sometimes speak more clearly than words in a life of faith?
- What helps keep you grounded when you are trying to change direction spiritually?
